ABOUT

Neena Speer

Neena R. Speer is an attorney, author, speaker, and truth dealer. She runs her own solo law firm specializing in trademarks and IP law, criminal defense, and probate law and is an Amazon Bestseller. Most of all, Neena loves sharing her experiences as a law student, a black Indian minority in the law field, and her journey failing her first bar exam. When she's not writing, speaking or helping her clients, you can find her at Starbucks where the baristas know her drink order by heart.
